

# DIAMOND CUSTOM

Very few companies in North America have the ability to harmoniously blend the utility and functionality of made-to-measure stainless steel foodservice equipment with the elegance and beauty of millwork and stone refinements

THE DIAMOND GROUP

MANUFACTURING EXCELLENCE SINCE 1932

**Diamond's** skilled engineers have the expertise and ingenuity to design and build unique projects beyond the existing offering. Precision machinery and manufacturing, distinctive high quality materials, and experienced work force, allow Diamond to produce some of the finest equipment in the industry.
